

The candidate has completed this logbook as required and has subsequently been assessed as competent to lead groups on Southern Sandstone outcrops in South East England

SOUTHERN SANDSTONE GROUP
SOUTHERN SANDSTONE LEADER'S AWARD
LOG BOOK

Candidate's Name

Successful completion of this Award indicates that the Instructor has been assessed to the standards required by the Southern Sandstone Group for supervising groups climbing on the sandstone outcrops of south east England.

Assessor's Name

The successful candidate must:

Assessor's Signature

1. Be in possession of an SSLA logbook.
2. Register with Plumpton College and pay the administration fee.
3. Record all personal rock climbing experience. The list must include a minimum of 15 routes on south east sandstone of grade 4a and above, completed in good style.
4. Record all instructional experience under the direction of a qualified Instructor. A minimum of 20 hours' experience required, to be verified by the Instructor's signature.
5. Attend a SSLA Training Course as outlined on the Sandstone Group website.

Date of Assessment

Full details of the Award are to be found at: www.sandstoneaward.com

More blank pages may be downloaded from the website as needed

Personal Reference

Please provide a reference from a person who has worked or climbed with you for some time who can verify your level of experience, both as a climber and with groups.

Suitable referees should ideally be qualified Instructors themselves, holding the SPA or MIA/MIC awards. Other appropriate referees might be centre managers or employers in outdoor companies.
